Capabilities and Features

● Handling Unconventional Contents
- ✓ Content Exceeding LLM's Token Limit
- ✓ Non-textual Contents Beyond LLMs' Capabilities

● Beneficial Effects of the Reasoning
- ✓ Acceleration of Reasoning
- ✓ Refining Outputs to Stipulated Criteria

● Control of LLMs Outputs
- ✓ Output's Content
- ✓ Output's Structure

● Capability of Utilizing External Tools

Database

Search engines

Social Media

Cloud

Mathematical tools

Document managers

## ● Maintenance of Historical Information
- ✓ Cache
- ✓ Vector database

● Impact of Invocation Costs
- ✓ Decrease LLMs Invocation Frequency
- ✓ Decrease Token Processing During LLMs Invocation
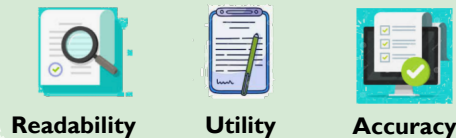

Compatibility

● Programming Languages

TypeScript

C#

Java

Golang

Python

Rust

JavaScript

● Large Language Models
